

Dear <Mr. Smith>,

In the <summer of 2023>, I hope to travel to <France and Spain> with my high school on a trip with EF Educational Tours. I am very excited about this opportunity! My travel experiences will undoubtedly change my perspectives and enhance my education as a whole. I am most looking forward to seeing so many sights that I have only had the opportunity to read about in textbooks. I am especially excited to see <the Louvre> and <the Royal Palace>. To learn more about my tour, visit <tour page link>.

I am working hard to raise funds for this trip and will be helping to pay for a portion of the trip myself. While I'm embracing the challenge of raising funds wholeheartedly, I could also greatly use assistance. That's why I'm looking for people, such as you, to sponsor a portion of my experience.

My goal is to raise <amount> before <date>. I greatly appreciate any contribution you are willing to make. Supporters like you are the reason this trip is possible. A direct gift of any amount can be made on my personal, secure fundraising page, here: <link to page>.

I really appreciate your assistance and thank you in advance for your support. I can't wait to share my experiences with you after my tour!

Sincerely,
<Your name>
